

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Inverclyde, LLC
DOCKET NO.: 15-00303.001-R-1
PARCEL NO.: 05-06-04-111-062-0000

The parties of record before the Property Tax Appeal Board are Inverclyde, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Will County Board of Review** is warranted. The correct assessed valuation of the property is:

LAND: \$10,450
IMPR.: \$36,051
TOTAL: \$46,501

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a part-one and part-two story dwelling of frame exterior construction with 1,796 square feet of living area. The dwelling was constructed in 2002. Features of the home include a basement, central air conditioning and a 440 square foot garage. The property has an 8,529 square foot site and is located in Plainfield, Troy Township, Will County.

The appellant contends overvaluation as the basis of the appeal. The appellant disclosed the subject sold March 25, 2014 for a price of \$139,503 and had been advertised for sale as set forth in Section IV-Recent Sale Data of the appeal petition. To document the sale, the appellant submitted a copy of the Multiple Listing Service sheet disclosing the property had been on the open market for 20 days, the Settlement Statement revealing the amount of Broker's Fees paid at settlement, and the PTAX-203, Illinois Real Estate Transfer Declaration, which disclosed the

property had been advertised for sale. Based on this evidence, the appellant requested the total assessment be reduced to \$46,501.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,550. The subject's assessment reflects a market value of \$149,023 or \$82.97 per square foot of living area, when applying Will County's 2015 three-year average median level of assessment of 33.25% as determined by the Illinois Department of Revenue. 86 Ill.Admin.Code §1910.50(c)(1).

In support of its contention of the correct assessment the board of review submitted information on four sales comparables that were constructed from 2000 to 2002. The comparables had varying degrees of similarity when compared to the subject. The dwellings contain 1,796 or 2,016 square feet of living area and are situated on sites that contain from 8,476 to 9,660 square feet of land area. The comparables sold from November 2013 to November 2014 for prices ranging from \$167,000 to \$220,000 or from \$92.98 to \$109.13 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in March 2014 for a price of \$139,503. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related and the property was sold using a Realtor. In further support of the transaction the appellant submitted a copy of the Settlement Statement revealing the amount of Broker's Fees paid at settlement and the PTAX-203 disclosing the property had been advertised for sale. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the appellant demonstrated by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
