

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Inchard, LLC
DOCKET NO.: 15-00320.001-R-1
PARCEL NO.: 12-02-15-205-029-0000

The parties of record before the Property Tax Appeal Board are Inchard, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will County Board of Review** is warranted. The correct assessed valuation of the property is:

LAND: \$9,600
IMPR.: \$26,500
TOTAL: \$36,100

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story dwelling of frame exterior construction with 1,162 square feet of living area. The dwelling was constructed in 1961. Features of the home include a concrete slab foundation and a 440 square foot square garage. The property has a 9,152 square foot site and is located in Bolingbrook, DuPage Township, Will County.

The appellant contends overvaluation as the basis of the appeal. The appellant's evidence disclosed the subject sold on May 14, 2013 for a price of \$77,000 and had been advertised for sale as set forth in Section IV-Recent Sale Data of the appeal petition. To document the sale, the appellant submitted a copy of the Real Estate Contract, the Settlement Statement revealing the amount of Broker's Fees paid at settlement, the PTAX-203, Illinois Real Estate Transfer Declaration which disclosed the property had been advertised for sale and the Multiple Listing

Service sheet. Based on this evidence, the appellant requested the total assessment be reduced to \$25,666.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,100. The subject's assessment reflects a market value of \$108,571 or \$93.43 per square foot of living area, when applying Will County's 2015 three-year average median level of assessment of 33.25% as determined by the Illinois Department of Revenue. 86 Ill.Admin.Code §1910.50(c)(1).

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were built in 1961 or 1962. The comparables had varying degrees of similarity when compared to the subject. The comparables were improved with one-story dwellings that contain 1,115 or 1,162 square feet of living area and are situated on sites that contain from 7,508 to 13,900 square feet of land area. The comparables sold from August 2012 to June 2015 for prices ranging from \$115,000 to \$150,000 or from \$98.97 to \$129.09 per square foot of living area, including land. The board of review's submission also include two PTAX-203s, Illinois Real Estate Transfer Declaration for the subject property. The first PTAX-203 was dated May 2013 and was submitted by the appellant. The second PTAX-203 shows a full consideration of \$121,692 and was dated after the appellant's submission on February 2014. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted the subject's sale and four suggested sales for the Board's consideration. The Board gave less weight to the subject's May 2013 sale and the board of review's comparable #1 due to their 2012 or 2013 sale dates, less proximate in time for the assessment date of January 1, 2015. The subject sold again in 2014 and is a valid sale that confirms the subject's assessment. The Board finds the best evidence of market value in the record to be the subject's 2014 sale and the board of review comparables #2 through #4. These comparables are similar in location, age, dwelling size, design and features. These properties sold from February 2014 to June 2015 for prices ranging from \$121,692 to \$150,000 or from \$104.73 to \$129.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$108,571 or \$93.43 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. Based on this evidence the Board finds the subject's assessment is reflective of the property's market value and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
