

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ruth M. Longfellow  
DOCKET NO.: 15-00667.001-R-1  
PARCEL NO.: 22-22-21-204-003-0000

The parties of record before the Property Tax Appeal Board are Ruth M. Longfellow, the appellant, by attorney Michael R. Davies of the Law Offices of Michael R. Davies, Ltd. in Oak Lawn; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,559  
**IMPR.:** \$37,298  
**TOTAL:** \$43,857

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a split-level style single family dwelling of frame construction with 1,927 square feet of living area. The dwelling was constructed in 1986. Features of the home include a finished lower level, a crawl space foundation under the one-story portion of the home, central air conditioning and a two-car attached garage with 484 square feet of building area. The property has an 8,481 square foot site and is located in Beecher, Washington Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$115,000 as of January 1, 2014. The appraisal was prepared by David Conaghan, a certified general real estate appraiser.

In estimating the market value the appraiser developed the sales comparison approach to value using three comparable sales improved with one-story dwellings that ranged in size from 1,460 to 1,700 square feet of living area. The dwellings ranged in age from 57 to 72 years old. Each comparable has a full basement with one being partially finished and central air conditioning. One comparable has a fireplace and two comparables have either a 2-car or a 2.5-car detached garage. Each comparable was located in Beecher. The comparables sold from August 2011 to October 2013 for prices ranging from \$110,000 to \$119,000 or from \$70.00 to \$75.34 per square foot of living area, including land. The appraiser made adjustments to the comparables for differences from the subject for such features as site size, quality of construction, age, room count, living area, finished basement and garage area to arrive at adjusted prices ranging from \$112,075 to \$132,000. Using this analysis the appraiser arrived at an estimated market value of \$115,000.

Based on this evidence the appellant requested the subject's assessment be reduced to \$43,857.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,857. The subject's assessment reflects a market value of \$131,901 or \$68.45 per square foot of living area, land included, when using the 2015 three year average median level of assessments for Will County of 33.25% as determined by the Illinois Department of Revenue.

In support of the assessment the board of review submitted information on four comparable sales identified by the township assessor that were improved with split-level style dwellings of frame construction that range in size from 1,851 to 2,040 square feet of living area. The dwellings were constructed from 1979 to 1988. One comparable has a basement. Each comparable has central air conditioning and a garage ranging in size from 517 to 576 square feet of building area. Each property is located in Beecher. The sales occurred from September 2014 to July 2015 for prices ranging from \$139,000 to \$169,900 or from \$72.22 to \$83.28 per square foot of living area, including land. The board of review requested that no change be made to the assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the comparable sales submitted by the board of review. These comparable sales were similar to the subject property in style, age and features. These properties also sold most proximate in time to the assessment date at issue. The board of review comparable sales sold for prices ranging from \$139,000 to \$169,900 or from \$72.22 to \$83.28 per square foot of living area, including land. The subject's assessment reflects a market value of \$131,901 or \$68.45 per square foot of living area, including land, which is below the range established by the best comparable sales in the record. Less weight was given the appellant's appraisal as it had an effective date that was one year prior to the assessment date

at issue, the sales used by the appellant's appraiser did not occur proximate in time to the assessment date at issue, the sales used by the appraiser were of a different style than the subject property and the sales used by the appellant's appraiser were from 31 to 46 years older than the subject dwelling. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
