

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Gwaltney
DOCKET NO.: 15-01559.001-R-1
PARCEL NO.: 06-14-100-020

The parties of record before the Property Tax Appeal Board are Daniel Gwaltney, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,769
IMPR.: \$59,932
TOTAL: \$76,701

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,004 square feet of living area. The dwelling was constructed in 1989. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 626 square foot garage. The property has a 9,714,060 square foot site and is located in Lake Villa, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables had varying degrees of similarity to the subject and sold from January 2014 to February 2015 for prices ranging from \$195,000 to \$242,500 or from \$86.31 to \$110.53 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,701. The subject's assessment reflects a market value of \$231,166 or \$115.35 per square foot of living area, land included, when using the 2015 three year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales that had varying degrees of similarity to the subject. The comparables sold from April 2014 to September 2015 for prices ranging from \$240,000 to \$326,000 or from \$110.81 to \$123.27 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review's comparable sales. These most similar comparables sold for prices ranging from \$110.81 to \$123.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$115.35 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Less weight was given the appellant's comparable sales based on dissimilar location, improvement size, finished basement area and/or lot size. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
