

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine Vancrey
DOCKET NO.: 15-01562.001-R-1
PARCEL NO.: 05-10-304-010

The parties of record before the Property Tax Appeal Board are Christine Vancrey, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,526
IMPR.: \$42,749
TOTAL: \$48,275

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,560 square feet of living area. The dwelling was constructed in 2001. Features of the home include a partial basement with finished area, central air conditioning and a 380 square foot garage. The property has a 7,500 square foot site and is located in Fox Lake, Grant Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables had varying degrees of similarity to the subject and sold from May 2013 to September 2014 for prices ranging from \$59,000 to \$163,900 or from \$47.89 to \$83.41 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,275. The subject's assessment reflects a market value of \$145,494 or \$93.27 per square foot of living area, land included, when using the 2015 three year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that had varying degrees of similarity to the subject. The comparables sold from June 2014 to September 2015 for prices ranging from \$119,500 to \$170,000 or from \$86.59 to \$106.67 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review's comparable sales #1 - #3. These most similar comparables sold for prices ranging from \$86.59 to \$106.67 per square foot of living area, including land. The subject's assessment reflects a market value of \$93.27 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Less weight was given the appellant's comparables based on dissimilar finished basement area, dated sales date and/or age. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
