

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Natalya Svidovsky  
DOCKET NO.: 15-01576.001-R-1  
PARCEL NO.: 15-24-200-009

The parties of record before the Property Tax Appeal Board are Natalya Svidovsky, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$86,728  
**IMPR.:** \$383,920  
**TOTAL:** \$470,648

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick construction with 7,363 square feet of living area. The dwelling was constructed in 2007. Features of the home include a partial unfinished basement, central air conditioning, two fireplaces and a 1,150 square foot garage. The property has a 66,776 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales.<sup>1</sup> The comparables sold from August 2013 to May 2015 for prices ranging from \$1,350,000 to \$1,730,000 or from \$177.07 to \$236.50 per square foot of living area, including land.

---

<sup>1</sup> The appellant also submitted an appraisal, however, the board gives this evidence no weight based on 35 ILCS 200/16-180 of the Property Tax Code, which limits the grounds for appeal listed on the appeal petition.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$470,648. The subject's assessment reflects a market value of \$1,418,469 or \$192.65 per square foot of living area, land included, when using the 2015 three year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, one of which was also used by the appellant. The comparables sold from August 2013 to May 2015 for prices ranging from \$1,350,000 to \$1,800,000 or from \$177.07 to \$236.50 per square foot of living area, including land. Three of the comparables were also used by the appellant.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and the board of review's comparable sales #2 and #4. Less weight was given the remaining comparables because of their dissimilar finished basement areas and/or the sale date was too remote in time to the assessment valuation date of January 1, 2015. The most similar comparables sold for prices ranging from \$186.44 to \$227.36 per square foot of living area, including land. The subject's assessment reflects a market value of \$195.65 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
