

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diana Shin
DOCKET NO.: 15-01578.001-R-1
PARCEL NO.: 15-04-101-048

The parties of record before the Property Tax Appeal Board are Diana Shin, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,820
IMPR.: \$52,381
TOTAL: \$71,201

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,666 square feet of living area. The dwelling was constructed in 1975. Features of the home include central air conditioning and a 400 square foot garage. The property has a 9,656 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,201. The subject's assessment reflects a market value of \$214,590 or \$128.81 per square foot of living area, land included, when using the 2015 three

year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The board of review's comparable sale #1 is the same property as the appellant's comparable sale #1.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be board of review comparable sale #3. This comparable had varying degrees of similarity to the subject and also sold more proximate in time to the assessment date at issue. This most similar comparable sold for a price of \$259,900 or \$174.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$214,590 or \$128.81 per square foot of living area, including land, which is supported by the best comparable sale in this record. The Board gave less weight to the appellant's comparable sales due to their differences in size or their sale date occurring less proximate in time to the assessment date at issue. Likewise, the Board gave less weight to the board of review's remaining comparables due to their difference in size and basement foundation or their sale dates occurring less proximate in time to the assessment date at issue. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
