

# FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Ron Boorstein
DOCKET NO.: 15-01702.001-R-1
PARCEL NO.: 16-15-306-002

The parties of record before the Property Tax Appeal Board are Ron Boorstein, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$60,327 **IMPR.:** \$131,314 **TOTAL:** \$191,641

Subject only to the State multiplier as applicable.

#### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

#### **Findings of Fact**

The subject property consists of a two-story dwelling of brick construction with 4,998 square feet of living area. The dwelling was constructed in 1964. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a 390 square foot garage. The property has a 11,645 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted limited information on three equity comparables. The comparables had improvement assessments ranging from \$84,864 to \$101,747 or from \$20.83 to \$22.80 per square foot of living area.

Docket No: 15-01702.001-R-1

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,641. The subject property has an improvement assessment of \$131,314 or \$26.27 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables. The comparables had improvement assessments ranging from \$130,795 to \$240,618 or from \$29.27 to \$54.05 per square foot of living area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be board of review comparables #1, and #3 based on similar features and location. These comparables had improvement assessments of \$30.08 and \$29.27, respectively, per square foot of living area. The subject's improvement assessment of \$26.27 per square foot of living area falls below the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.
