

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elmer Michaelis
DOCKET NO.: 15-01771.001-R-1
PARCEL NO.: 01-36-405-002

The parties of record before the Property Tax Appeal Board are Elmer Michaelis, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,997
IMPR.: \$51,051
TOTAL: \$68,048

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 2,088 square feet of living area. The dwelling was constructed in 1969. Features of the home include a partially finished basement, central air conditioning, a fireplace and a 768 square foot garage. The property has a 76,953 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal. The appellant did not contest the subject's land assessment. In support of this argument the appellant submitted information on four equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$68,048. The subject property has an improvement assessment of

\$51,051 or \$24.45 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, one of which was also submitted by the appellant.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2, as well as board of review comparable #4. These comparables had varying degrees of similarity when compared to the subject. These comparables had improvement assessments that ranged from \$18.43 to \$26.85 per square foot of living area. The subject's improvement assessment of \$24.45 per square foot of living area falls within the range established by the best comparables in this record. The Board gave less weight to the parties' remaining comparables due to their dissimilar dwelling styles, lack of a basement foundation or older age when compared to the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
