

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ping Tao
DOCKET NO.: 15-02385.001-R-1
PARCEL NO.: 14-13-105-015

The parties of record before the Property Tax Appeal Board are Ping Tao, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$82,066
IMPR.: \$265,115
TOTAL: \$347,181

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 5,170 square feet of living area. The dwelling was constructed in 2005. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a 1,010 square foot garage. The property has a 40,080 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales with varying degrees of similarity to the subject. The comparables sold from July 2015 to October 2015 for prices ranging from \$800,750 to \$1,039,000 or from \$160.56 to \$196.41 per square foot of living area, including land. The appellant also submitted a Comparative Market Analysis utilizing the same comparables suggesting a marketing price for the subject of \$861,187.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$361,246. The subject's assessment reflects a market value of \$1,088,746 or \$210.59 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales with varying degrees of similarity to the subject. The comparables sold from April 2013 to June 2016 for prices ranging from \$975,000 to \$1,365,000 or from \$202.01 to \$282.67 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #2, #3 and #4 and board of review comparable sale #3. These most similar comparables sold for prices ranging from \$160.56 to \$202.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$210.59 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Less weight was given the remaining comparables submitted by both parties based on their dissimilar features such as finished basement area and swimming pool, which the subject does not have, and/or their dates of sale were more remote in time for a January 1, 2015 valuation date. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
