

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Xraohui Zheng  
DOCKET NO.: 15-02456.001-R-1  
PARCEL NO.: 16-28-102-016

The parties of record before the Property Tax Appeal Board are Xraohui Zheng, the appellant, by attorney Kelly Murray of the Law Offices of Michael R. Davies, Ltd., in Oaklawn; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 59,713  
**IMPR.:** \$136,947  
**TOTAL:** \$196,660

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two-story dwelling of brick exterior construction that has 3,123 square feet of living area. The dwelling was built in 1964. Features include a finished basement, central air conditioning, two fireplaces and a 441 square foot attached garage. The subject property is located in West Deerfield Township, Lake County, Illinois.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of the inequity claim, the appellant submitted 33 assessment comparables located in close proximity to the subject. The comparables had varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$114,828 to \$152,423 or from \$41.79 to \$45.91 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$203,412. The subject property has an improvement assessment of \$143,699 or \$46.01 per square foot of living area.

In support of the subject's assessment, the board of review submitted four assessment comparables located in close proximity to the subject. The comparables had varying degrees of similarity when compared to the subject. The comparables have improvement assessments ranging from \$125,300 to \$143,303 or from \$43.37 to \$44.77 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer argued assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof.

The parties presented 37 assessment comparables for the Board's consideration. The comparables had varying degrees of similarity when compared to the subject. They have improvement assessments ranging from \$114,828 to \$153,860 or from \$41.79 to \$45.91 per square foot of living area. The subject property has an improvement assessment of \$143,699 or \$46.01 per square foot of living area, which falls above the range established by all the comparables contained in the record on a per square foot basis. After considering adjustments to the comparables for any differences when compared to the subject, the Board finds the subject's improvement assessment is excessive and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
