

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Xin Teng
DOCKET NO.: 15-02813.001-R-1
PARCEL NO.: 15-16-101-030

The parties of record before the Property Tax Appeal Board are Xin Teng, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,248
IMPR.: \$171,985
TOTAL: \$195,233

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 3,657 square feet of living area. The dwelling was constructed in 1984. Features of the home include a finished basement, central air conditioning, a fireplace and an 806 square foot attached garage. The property has an 18,940 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellant submitted three comparable sales located within 3.20 miles from the subject property. The comparables consist of one-story dwellings that were built from 1980 to 1991. The dwellings had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 2,838 to 3,539 square feet of living area and are situated on sites that contain from 22,783 to 84,506 square feet of land area. The comparables

sold from August 2014 to January 2015 for prices ranging from \$499,000 to \$603,800 or from \$141.00 to \$180.41 per square foot of living area including land. Based on this evidence, the appellant requested the total assessment be reduced to \$160,892 which would reflect a market value of approximately \$482,676.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$195,233. The subject's assessment reflects an estimated market value of \$588,406 or \$160.90 per square foot of living area including land when applying Lake County's 2015 three-year average median level of assessment of 33.18% as determined by the Illinois Department of Revenue. 86 Ill.Admin.Code §1910.50(c)(1).

In support of the subject's assessment, the board of review submitted information on four comparable sales located within 1.06 miles from the subject property. The comparables consist of one-story dwellings that were built from 1989 to 1996. The dwellings had features with varying degrees of similarity when compared to the subject. The dwellings range in size from 2,138 to 3,508 square feet of living area and are situated on sites that contain from 9,583 to 22,783 square feet of land area. The comparables sold from June 2013 to August 2014 for prices ranging from \$465,000 to \$603,800 or from \$172.12 to \$217.49 per square foot of living area including land. Board of review sale #1 was the same comparable as the appellant's sale #1. The board of review submission included property record cards for the subject and its four comparable sales. Based on this evidence, the board of review requested confirmation of the subject's assessment.

The appellant's counsel submitted a rebuttal brief responding to the board of review submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six suggested sales for the Board's consideration with one comparable common to both parties. The Board gave less weight to the appellant's comparables #2 and #3 due to their larger lot size or distant location when compared to the subject property. The Board gave less weight to the board of review's comparable #2 due to its 2013 sale date, which is less proximate in time for the January 1, 2015 assessment date. The Board also gave less weight to the board of review comparable #3 due to its smaller dwelling size when compared to the subject property.

The Board finds the best evidence of market value in the record to be the appellant's comparable #1 and the board of review's comparables #1 and #4. These comparables sold more proximate in time to the January 1, 2015 assessment date and were similar to the subject in location, age, dwelling size, design and other features. These properties sold in February or August 2014 for prices of \$530,000 and \$603,800 or \$172.12 and \$176.61 per square foot of living area including

land. The subject's assessment reflects a market value of \$588,406 or \$160.90 per square foot of living area, including land, which falls between the best comparables in this record in terms of overall value and is slightly lower on a per square foot basis. Based on this evidence the Board finds the subject is not overvalued and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
