

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Samuel Bentum-Siripi  
DOCKET NO.: 15-03183.001-R-1  
PARCEL NO.: 07-02-301-004

The parties of record before the Property Tax Appeal Board are Samuel Bentum-Siripi, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$25,256  
**IMPR.:** \$67,210  
**TOTAL:** \$92,466

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 2,727 square feet of living area. The dwelling was constructed in 2000. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a 600 square foot garage. The property has a 9,357 square foot site and is located in Waukegan, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparables sold from January 2015 to May 2015 for prices ranging from \$243,600 to \$275,000 or from \$88.31 to \$96.15 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$92,466. The subject's assessment reflects a market value of \$278,680 or \$102.19 per square foot of living area, land included, when using the 2015 three year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales. The comparables sold from April 2014 to October 2014 for prices ranging from \$283,750 to \$335,000 or from \$104.20 to \$131.45 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds both parties submitted comparables with features very similar to the subject in size, location, age, and construction. Less weight was given board of review comparables #4 through #6 based on their dissimilar house code type and/or size, when compared to the subject. In addition, less weight was given board of review comparable #1 because of its dissimilar quality grade when compared to the subject. The most similar comparables, (appellant's comparables #1 - #3 and board of review comparables #2 and #3), sold for prices ranging from \$88.31 to \$105.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$102.19 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
