

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Figueroa Alejandro Vargas
DOCKET NO.: 15-03191.001-R-1
PARCEL NO.: 07-25-117-014

The parties of record before the Property Tax Appeal Board are Figueroa Alejandro Vargas, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,059
IMPR.: \$23,197
TOTAL: \$32,256

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of frame construction with 1,096 square feet of living area. The dwelling was constructed in 1978. Features of the home include a 480 square foot garage. The property has a 7,382 square foot site and is located in Park City, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 12 comparable sales.¹ The 12 comparables sold from

¹ The appellant also submitted an additional six comparable sales during the time the Board was accepting rebuttal evidence. The Property Tax Appeal Board will not consider this evidence pursuant to Property Tax Appeal Board rule 1910.66(c) which states: "Rebuttal evidence shall not consist of new evidence such as an appraisal or newly discovered comparable properties. A party to the appeal shall be precluded from submitting its own case in chief in the guise of rebuttal evidence." (86 Ill.Admin.Code §1910.66(c)).

November 2013 to August 2015 for prices ranging from \$19,000 to \$68,000 or from \$14.33 to \$61.59 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,256. The subject's assessment reflects a market value of \$97,215 or \$88.70 per square foot of living area, land included, when using the 2015 three year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables sold in April or May 2015 for prices ranging from \$125,000 to \$160,000 or from \$119.27 to \$145.99 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be board of review comparable sales #2 and #4. These most similar comparables sold for prices of \$140.05 and \$119.27 respectively, per square foot of living area, including land. The subject's assessment reflects a market value of \$88.70 per square foot of living area, including land, which is below the best comparable sales in this record. Less weight was given the remaining comparables submitted by both parties because of their distant location from the subject, and were dissimilar in design, exterior, age, garage area and/or their dates of sale were too remote in time for a January 1, 2015 valuation date. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
