

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Martha Zaragoza
DOCKET NO.: 15-03198.001-R-1
PARCEL NO.: 08-17-106-095

The parties of record before the Property Tax Appeal Board are Martha Zaragoza, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,343
IMPR.: \$19,773
TOTAL: \$27,116

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction with 1,379 square feet of living area. The dwelling was constructed in 1978. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 504 square foot garage. The property has a 7,828 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 12 comparable sales.¹ The comparables had varying degrees of similarity to the subject and sold from March 2013 to July 2015 for prices ranging from \$39,500 to \$57,400 or from \$25.16 to \$41.86 per square foot of living area, including land.

¹ The appellant submitted additional comparables after the time period for submitting evidence had closed. Pursuant to Property Tax Appeal Board rule 1910.66(c) (86 Ill.Admin.Code §1910.66(c)), this new evidence will not be considered.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,664. The subject's assessment reflects a market value of \$80,362 or \$58.28 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from August 2013 to November 2014 for prices ranging from \$83,500 to \$95,000 or from \$73.28 to \$75.82 per square foot of living area, including land.

Both parties acknowledged the subject's sale February 6, 2015 for \$80,000. The board of review submitted a PTAX-203 statement depicting the subject was advertised for sale on the open market.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to board of review comparable sale #2 and the subject's sale in February 2015. Board of review comparable #2 sold in November 2014 for \$74.42 per square foot of living area, including land. The subject sold for \$58.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$58.01 per square foot of living area, including land, which is below the best comparable sale in this record and is well supported by the subject's actual sale in February 2015, which is close to the assessment date of January 1, 2015. Less weight was given the appellant's comparables and board of review comparables #1 and #3 because they were dissimilar to the subject in location, age, exterior construction, lacked a garage and/or fireplace, size and/or the dates of sale were too remote in time for a January 1, 2015 valuation date. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
