

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Guang Yang  
DOCKET NO.: 15-03231.001-R-1  
PARCEL NO.: 15-14-203-020

The parties of record before the Property Tax Appeal Board are Guang Yang, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$62,915  
**IMPR.:** \$141,317  
**TOTAL:** \$204,232

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 2,969 square feet of living area. The dwelling was constructed in 1985. Features of the home include a full, partially finished basement, central air conditioning, a fireplace and a 1,089 square foot garage. The property has a 20,847 square foot site and is located in Lake Forest, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from November 2013 to September 2014 for prices ranging from \$615,000 to \$657,000 or from \$185.74 to \$194.90 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$204,232. The subject's assessment reflects a market value of \$615,527 or \$207.32 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with varying degrees of similarity to the subject. The comparables sold from March 2014 to September 2014 for prices ranging from \$615,000 to \$865,000 or from \$207.52 to \$303.40 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds both parties submitted comparables with features very similar to the subject and will be used to determine the best evidence of market value of the subject. The comparables sold for prices ranging from \$185.74 to \$303.40 per square foot of living area, including land. The subject's assessment reflects a market value of \$207.32 per square foot of living area, including land, which is within the range established by the comparable sales in this record. After making adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
