

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy McMahon  
DOCKET NO.: 15-03246.001-R-1  
PARCEL NO.: 11-16-424-017

The parties of record before the Property Tax Appeal Board are Timothy McMahon, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$74,022  
**IMPR.:** \$225,398  
**TOTAL:** \$299,420

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 3,689 square feet of living area. The dwelling was constructed in 2008. Features of the home include a full basement with finished area, central air conditioning, three fireplaces and a 660 square foot garage. The property has a 11,250 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$775,000 as of January 1, 2015.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$299,420. The subject's assessment reflects a market value of

\$902,411 or \$244.62 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with varying degrees of similarity to the subject. The comparables were located in the subject's immediate area and sold from April 2014 to October 2014 for prices ranging from \$790,000 to \$945,000 or from \$267.52 to \$303.47 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales and appraisal sale #2. The Board finds the final opinion of value found in the appellant's appraisal is not credible because the appraiser excluded sales in the subject's immediate neighborhood and two of the sales were not adjusted for date of sale in relation to a January 1, 2015 valuation date. The board of review comparable sales and appraisal sale #2 sold for prices ranging from \$767,500 to \$945,000 or from \$208.46 to \$303.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$902,411 or \$244.62 per square foot of living area, including land, which is within the range established by the best comparable sales in the record based on total sale price and on a per square foot basis. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
