

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Zeldovich
DOCKET NO.: 15-03598.001-R-1
PARCEL NO.: 06-26-206-005

The parties of record before the Property Tax Appeal Board are Edward Zeldovich, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,333
IMPR.: \$13,332
TOTAL: \$16,665

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,037 square feet of living area. The dwelling was constructed in 1973. Features of the home include a full, partially finished basement. The property has a 1,742 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales with varying degrees of similarity to the subject. The comparables sold from January 2014 to April 2015 for prices ranging from \$37,500 to \$55,000 or from \$36.16 to \$53.04 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,665. The subject's assessment reflects a market value of

\$50,226 or \$48.43 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales; all of which were also utilized by the appellant. The board of review also argued that appellant's comparable sale #1 was a sheriff's sale and not an arm's length transaction. This argument was not refuted by the appellant.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds both parties submitted only one comparable common to both parties that was truly similar to the subject; board of review comparable #4 and appellant's comparable #6. This comparable sold in February 2014 for \$55,000 or \$53.04 per square foot of living area. All of the comparables sold for prices ranging from \$48.16 to \$53.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$48.43 per square foot of living area, including land, which is within the range established by the comparable sales in this record and is supported by the common comparable submitted by both parties. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
