

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jorge Morgado  
DOCKET NO.: 15-04276.001-R-1  
PARCEL NO.: 04-21-418-014

The parties of record before the Property Tax Appeal Board are Jorge Morgado, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,574  
**IMPR.:** \$532  
**TOTAL:** \$4,106

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and one-half-story dwelling of frame construction with 660 square feet of living area. The dwelling was constructed in 1908. Features of the home include a partial basement and central air conditioning. The property has a 8,250 square foot site and is located in Zion, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from February 2013 to July 2014 for prices ranging from \$5,865 to \$18,750 or from \$8.94 to \$26.94 per square foot of living area, including land. The appellant also provided evidence that the subject property was purchased in August 2014 for a price of \$12,001. He provided a narrative asserting the subject property is not in decent condition and has no running water.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,147. The subject's assessment reflects a market value of \$30,582 or \$46.34 per square foot of living area, land included, when using the 2015 three year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from July 2014 to October 2014 for prices ranging from \$70,000 to \$150,000 or from \$56.09 to \$120.19 per square foot of living area, including land..

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #3. These most similar comparables sold for prices of \$8.94 and \$18.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$46.34 per square foot of living area, including land, which is above the best comparable sales in this record. Less weight was given appellant's comparable sale #2 and the board of review comparable sales based on their dissimilar land size, age, improvement size and/or the date of sale was too remote in time for a January 1, 2015 valuation date. Based on this evidence, and considering the subject's condition, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
