

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark & Mary Larson
DOCKET NO.: 15-04397.001-R-1
PARCEL NO.: 06-16-322-019

The parties of record before the Property Tax Appeal Board are Mark & Mary Larson, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,000
IMPR.: \$20,717
TOTAL: \$27,717

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,848 square feet of living area. The dwelling was built in 1947. Features of the home include central air conditioning and a 483 square foot garage. The property has a 10,000 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on four comparable sales that were located from .14 to .98 of a mile from the subject property. The comparables had varying degrees of similarity to the subject. The comparables had sale dates ranging from September 2014 to December 2015 for prices ranging from \$45,000 to \$55,000 or from \$26.65 to \$33.75 per square foot of living area including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,717. The subject's assessment reflects a market value of \$83,535 or \$45.20 per square foot of living area, land included, when using the 2015 three year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were located from .09 to .49 of a mile from the subject property. The comparables had varying degrees of similarity to the subject. The comparables had sale dates ranging from April 2014 to February 2015 for prices ranging from \$65,000 to \$95,000 or from \$34.38 to \$56.78 per square foot of living area including land.

The appellants submitted rebuttal critiquing the board of review's submission.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #3, as well as board of review comparable sales #1 and #4. These comparables were most similar to the subject in location, style, age and features. These comparables also sold proximate in time to the January 1, 2015 assessment date at issue. These most similar comparables sold from April 2014 to December 2015 for prices ranging from \$45,000 to \$79,000 or from \$26.65 to \$49.19 per square foot of living area including land. The subject's assessment reflects a market value of \$83,535 or \$45.20 per square foot of living area, including land, which is slightly above the range established by the most similar comparables in this record on a total market value basis and within the range on a per square foot basis. The Board further finds that the subject's slightly higher total estimated market value is supported by the market values of the best comparable sales in this record and appears justified given the subject's significantly larger lot size. The Board gave less weight to the parties' remaining comparables due to their more distant locations from the subject or their differences in design when compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
