

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Stern
DOCKET NO.: 15-04439.001-R-1
PARCEL NO.: 16-23-420-012

The parties of record before the Property Tax Appeal Board are Jeffrey Stern, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,474
IMPR.: \$92,694
TOTAL: \$103,168

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit of brick exterior construction with 1,590 square feet of living area. The condominium building was constructed in 1981. Features of the condominium unit include central air conditioning and a fireplace. The property is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that were located from .12 to .53 of a mile from the subject property. The comparables had varying degrees of similarity to the subject. The comparables had sale dates ranging from September 2013 to May 2014 for prices ranging from \$227,000 to \$247,500 or from \$141.43 to \$161.87 per square foot of living area including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$103,168. The subject's assessment reflects a market value of \$310,934 or \$195.56 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Lake County of 33.18% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were located in the same condominium building as the subject. The comparables had varying degrees of similarity to the subject. The comparables had sale dates ranging from July 2014 to October 2015 for prices ranging from \$242,500 to \$318,000 or from \$163.52 to \$207.17 per square foot of living area including land.

The appellant submitted rebuttal critiquing the board of review's submission and argued that board of review's sale #3 was a significantly smaller condominium.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review comparable sales #1, #2 and #4. These comparables were located in the same condominium building as the subject, were similar in size and sold proximate in time to the January 1, 2015 assessment date. These most similar comparables sold from July 2014 to October 2015 for prices ranging from \$260,000 to \$318,000 or from \$163.52 to \$207.17 per square foot of living area, including land. The subject's assessment reflects a market value of \$310,934 or \$195.56 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board gave less weight to the parties' remaining comparables due to their smaller size, their more distant locations and/or their sale dates occurring less proximate in time to the January 1, 2015 assessment date. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
