

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward & Pamela Isaacson
DOCKET NO.: 15-04983.001-R-1
PARCEL NO.: 06-14-210-011

The parties of record before the Property Tax Appeal Board are Edward & Pamela Isaacson, the appellants; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$42,390
IMPR.: \$44,150
TOTAL: \$86,540

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 1,286 square feet of living area. The dwelling was constructed in 1961. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 7,071 square foot site and is located in Elmhurst, York Township, DuPage County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales.

The appellants' evidence included documentation and photographs that the subject is prone to flooding due to inadequate sewers. The documentation disclosed that other properties have been flooded as well.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,540. The subject's assessment reflects a market value of \$259,880 or \$202.08 per square foot of living area, land included, when using the 2015 three year average median level of assessment for DuPage County of 33.30% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on nine comparable sales.

The board of review's evidence disclosed that flood relief was offered to homeowners in 2010, 2013 and 2015.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

As to the subject's flooding issue, the Board finds the Assessor's office offered flood relief to homeowners that were impacted by flooding. In addition, the parties' evidence reveals that the subject's basement has been changed to reflect an unfinished basement after the damage due to flooding. The Board further finds that the appellants' documentation disclosed that other properties have been flooded, however, no reference is made as to whether the comparables submitted also had similar flooding issues like the subject.

The Board finds the best evidence of market value to be the board of review's comparable sales #1, #3, #4, #5, #6, #7 and #8. These comparables were similar to the subject and also sold more proximate in time to the January 1, 2015 assessment date, than did the parties' remaining comparables. These most similar comparables sold from April to October 2015 for prices ranging from \$315,000 to \$385,000 or from \$262.50 to \$313.81 per square foot of living area, including land. The subject's assessment reflects a market value of \$259,880 or \$202.08 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. The Board gave less weight to the parties' remaining comparables due to their sale dates occurring less proximate in time to the January 1, 2015 assessment date at issue. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
