

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John & Joan Hoffman
DOCKET NO.: 15-05205.001-R-1
PARCEL NO.: 10-20-126-004

The parties of record before the Property Tax Appeal Board are John & Joan Hoffman, the appellants, by attorney Thomas M. Battista, of the Law Offices of Thomas M. Battista in Chicago; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,640
IMPR.: \$112,012
TOTAL: \$146,652

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of frame construction with 3,282 square feet of living area. The dwelling was constructed in 1995. Features of the home include an 832 square foot basement that is 50% finished, central air conditioning, a fireplace and a three-car garage. The property has a 19,491 square foot site and is located in McHenry, McHenry Township, McHenry County.¹

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted an appraisal estimating the subject property had a market value of \$440,000 as of October 24, 2015.

¹ The Board finds the best evidence of the subject's lot size was the lot dimensions from the appellants' appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$169,407. The subject's assessment reflects a market value of \$508,883 or \$155.05 per square foot of living area including land, when using the 2015 three year average median level of assessment for McHenry County of 33.29% as determined by the Illinois Department of Revenue.

As to the appellants' appraisal, the board of review argued that appraisal comparable #1 was 42% smaller than the subject, comparable #2 is a river front property that is not comparable to the subject's location and comparable #3 is on a private lake that is not similar to the subject. In addition, no adjustments were made to any of the comparable sales.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellants for an estimated value of \$440,000. The Board gave less weight to the board of review's comparable sales. The Board finds one of the comparables sold in July 2013, a sale date that would have occurred greater than 17 months prior to the January 1, 2015 assessment date at issue. A second comparable had an inground swimming pool, unlike the subject and the third comparable was built in 2003 and sold for a price of \$1,050,000, which would indicate a significantly superior dwelling. Therefore, the Board finds the board of review's evidence does not overcome the weight of the appellants' appraisal. The subject's assessment reflects a market value of \$508,883, which is above the appraised value. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
