

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike George
DOCKET NO.: 15-05286.001-R-1
PARCEL NO.: 22-18.0-277-013

The parties of record before the Property Tax Appeal Board are Mike George, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,496
IMPR.: \$30,933
TOTAL: \$39,429

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one story residential duplex of masonry exterior construction containing 2,040 square feet of living area. The duplex was constructed in 1973. Features of the property include a partial unfinished basement, central air conditioning and a two-car attached garage with 648 square feet of building area.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted information on eight comparable sales improved with residential duplexes that ranged in size from 2,032 to 2,488 square feet of living area. The duplexes were constructed from 1972 to 1980. Each comparable has central air conditioning, five comparables have basements and each comparable has a garage ranging in size from 552 to 616 square feet of building area. The comparables sold in May 2014 and October 2014 for prices ranging from \$98,700 to \$130,000 or from \$44.95 to \$59.20 per square foot of living area, including land.

The appellant submitted a copy of the final decision issued by the Sangamon County Board of Review disclosing a final assessment of the subject property totaling \$43,406 reflecting a market value of \$130,218 or \$63.83 per square foot of living area, including land. Based on this evidence the appellant requested the subject's assessment be reduced to \$39,429.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the only evidence of market value in the record are the comparable sales provided by the appellant. The comparables had varying degrees of similarity to the subject property and sold in 2014 for prices ranging from \$98,700 to \$130,000 or from \$44.95 to \$59.20 per square foot of living area, including land. The subject's assessment reflects a market value of \$130,218 or \$63.83 per square foot of living area, including land, which is above the range established by the comparable sales. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a) & §1910.69(a)). Based on this record the Property Tax Appeal Board finds a reduction to the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
