

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike George
DOCKET NO.: 15-05288.001-R-1
PARCEL NO.: 22-18.0-277-015

The parties of record before the Property Tax Appeal Board are Mike George, the appellant; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,496
IMPR.: \$30,933
TOTAL: \$39,429

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Sangamon County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject matter of this appeal consists of a one-story duplex of masonry exterior construction that contains 2,040 square feet of living area. The dwelling was constructed in 1973. The home features a partial finished basement, central air conditioning and a 648 square foot garage. The subject has a 13,500 square foot site. The subject property is located in Sangamon County, Illinois.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted eight comparable sales. The comparables have varying degrees of similarity when compared to the subject. They sold in May 2014 or October 2014 for prices ranging from \$98,700 to \$130,000 or from \$44.95 to \$59.20 per square foot of living area including land.

The appellant also submitted the final decision issued by the Sangamon County Board of Review disclosing the subject property's final assessment of \$41,180. The subject's assessment reflects

an estimated market value of \$123,589 or \$60.58 per square foot of living area including land when applying Sangamon County's 2015 three-year average median level of assessment of 33.32%. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value contained in this record are the comparables sales submitted by the appellant. They had varying degrees of similarity when compared to the subject. They sold in May 2014 or October 2014 for prices ranging from \$98,700 to \$130,000 or from \$44.95 to \$59.20 per square foot of living area including land. The subject property's final assessment reflects a market value of \$123,589 or \$60.58 per square foot of living area including land, which falls above the range established by the comparable sales contained in the record on a per square foot basis. The board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). Based on this evidence, the Board finds a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
