

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joel Runyon
DOCKET NO.: 15-05406.001-R-1
PARCEL NO.: 08-29-405-029

The parties of record before the Property Tax Appeal Board are Joel Runyon, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$47,400
IMPR.: \$61,050
TOTAL: \$108,450

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 1-story and part 2-story dwelling of frame construction with 2286 square feet of living area. The dwelling was constructed in 1975. Features of the home include a partial unfinished basement, a fireplace and a 440 square foot garage. The property has a 10,010 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted limited information on three comparable sales. These comparables are one-story or two story dwellings of frame or masonry construction built between 1974 and 1977. All of them have partial, unfinished basements, central air conditioning and garages. Two comparables feature fireplaces. They are located a distance of .06 to .48 of a mile from the

subject. These comparables sold between June 2012 and December 2014 for prices ranging from \$290,000 to \$320,000 or from \$125.20 to \$135.31 per square foot of living area land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$108,450. The subject's assessment reflects a market value of \$325,676 or \$142.47 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for DuPage County of 33.30% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. They are described as part 1-story and part 2-story dwellings of frame construction built in 1973 or 1974. They feature partial, unfinished basements, fireplaces and garages. One has central air conditioning. They are located a distance of .07 to .14 of a mile from the subject. These comparables sold between April 2014 and May 2015 for prices ranging from \$355,000 to \$395,000 or from \$157.36 to \$182.36 per square foot of living area land included.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board gave less weight to the appellant's comparables based on proximity to the subject, style, construction and/or dwelling size as compared to the subject. The Board finds the best evidence of market value to be the board of review comparables. These were very similar to the subject in location, size, style, construction and age. These comparables sold for prices ranging from \$157.36 and \$182.36 per square foot of living area, including land. The subject's assessment reflects a market value of \$142.47 per square foot of living area, including land, which is below the best comparables in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
