

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adam Karno Asset Mutual Mortgage  
DOCKET NO.: 15-05612.001-R-1  
PARCEL NO.: 06-29-112-010

The parties of record before the Property Tax Appeal Board are Adam Karno Asset Mutual Mortgage, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,510  
**IMPR.:** \$71,740  
**TOTAL:** \$83,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story office condominium containing 2,284 square feet of above grade building area. The subject was constructed in 1987. Features of the subject were not supplied by either party. The subject is located in Lombard, York Township, DuPage County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on July 15, 2015 for a price of \$250,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,170. The subject's assessment reflects a market value of

\$285,796 or \$125.13 per square foot of building area when using the 2015 three year average median level of assessment for DuPage County of 33.30% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted limited information on five comparable sales. The comparables sold from November 2014 to April 2016 for prices ranging from \$129,519 to \$448,375 or from \$104.28 to \$128.30 per square foot of building area.

The appellant filed rebuttal argument claiming the board of review did not adequately refute the subject's arms' length sale.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in July, 2015 for a price of \$250,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant submitted evidence and completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 310 days. In further support of the transaction the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Further, less weight was given the board of review's submission of evidence because it lacked specific characteristics of each comparable from which a comparison to the subject could not be completed. Based on this record the Board finds the subject property had a market value of \$250,000 as of January 1, 2015. Since market value has been determined the 2015 three year average median level of assessment for DuPage County of 33.30% shall apply. 86 Ill.Admin.Code §1910.50(c)(1).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
