

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donna Bauer
DOCKET NO.: 15-05790.001-R-1
PARCEL NO.: 09-01-219-039

The parties of record before the Property Tax Appeal Board are Donna Bauer, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$83,880
IMPR.: \$249,120
TOTAL: \$333,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of frame and masonry construction with 3,190 square feet of living area. The dwelling was constructed in 1997. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 400 square foot garage. The property has a 9,435 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables had varying degrees of similarity, when compared to the subject. The sales occurred from November 2012 to June 2014 for prices ranging from \$750,000 to \$1,005,000 or from \$253.22 to \$290.46 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$336,410. The subject's assessment reflects a market value of \$1,010,240 or \$316.69 per square foot of living area, land included, when using the 2015 three year average median level of assessment for DuPage County of 33.30% as determined by the Illinois Department of Revenue.

The board of review submitted rebuttal evidence critiquing the parties' comparables. In addition, the evidence disclosed that the appellant's comparable #1 sold more recently than the 2012 sale of \$840,000 that was reported by the appellant. The property sold again in April 2015 for \$855,000 or \$289.63 per square foot of living area, including land.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales. The comparables had varying degrees of similarity, when compared to the subject. The sales occurred from April 2013 to May 2014 for prices ranging from \$930,000 to \$1,250,000 or from \$325.52 to \$427.64 per square foot of living area, including land.

The appellant submitted rebuttal evidence critiquing the board of review's submission.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the 2015 sale of appellant's comparable #1 and appellant's #3, as well as the board of review's comparable #2. These most similar comparables sold from May 2014 to April 2015 for prices ranging from \$855,000 to \$1,005,000 or from \$289.63 to \$325.52 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,010,240 or \$316.69 per square foot of living area, including land, which is above the range established by the best comparable sales in this record on a total market value basis and within the range on a per square foot basis. The Board gave less weight to the parties' remaining comparables due to their sale dates occurring greater than 17 months prior to the January 1, 2015 assessment date. After considering adjustments to the comparables for differences when compared to the subject, the Board finds a slight reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
