

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Pierotti
DOCKET NO.: 15-05816.001-R-1
PARCEL NO.: 06-12-112-021

The parties of record before the Property Tax Appeal Board are Mary Pierotti, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,950
IMPR.: \$189,920
TOTAL: \$255,870

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 3,109 square feet of living area. The dwelling was constructed in 2000. Features of the home include an unfinished basement, central air conditioning and a two-car garage. The property has an 8,800 square foot site and is located in Elmhurst, York Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables were built from 1911 to 1966.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$255,870. The subject's assessment reflects a market value of \$768,378 or \$247.15 per square foot of living area, land included, when using the 2015 three

year average median level of assessment for DuPage County of 33.30% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales, one of which was also submitted by the appellant. The comparables were built from 1911 to 2000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables. These comparables were similar to the subject in some aspects and also sold proximate in time to the January 1, 2015 assessment date at issue. The sales occurred from May 2014 to May 2015 for prices ranging from \$535,000 to \$890,000 or from \$188.78 to \$257.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$768,378 or \$247.15 per square foot of living area, including land, which is within the range established by the appellant's comparables and appears justified due to the subject's significantly newer construction date. The Board gave less weight to the board of review's comparables due to their difference in size and/or their older sale dates. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
