

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Griffin
DOCKET NO.: 15-05818.001-R-1
PARCEL NO.: 09-11-413-009

The parties of record before the Property Tax Appeal Board are Diane Griffin, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,670
IMPR.: \$55,590
TOTAL: \$107,260

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick construction with 1,193 square feet of living area. The dwelling was constructed in 1948. Features of the home include a slab foundation, central air conditioning, a fireplace and a 360 square foot garage. The property has a 6,250 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant did not contest the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,260. The subject property has an improvement assessment of \$55,590 or \$46.60 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

As to the appellant's comparables, the board of review argued that the properties receive -20% or -30% obsolescence due to their proximate location to Rt. 83 or 55th street.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables. These comparables were more similar to the subject than the appellant's comparables, due to their slab foundations. These comparables had improvement assessments that ranged from \$46,870 to \$65,300 or from \$48.78 to \$50.18 per square foot of living area. The subject's improvement assessment of \$55,590 or \$46.60 per square foot of living area falls within the range established by the best comparables in this record on a total improvement assessment basis and below the range on a per square foot basis. The Board gave less weight to the appellant's comparables due to their dissimilar basement foundations, unlike the subject. Moreover, the properties receive -20% or -30% obsolescence, unlike the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
