

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Diane Griffin
DOCKET NO.: 15-05819.001-R-1
PARCEL NO.: 09-11-412-010

The parties of record before the Property Tax Appeal Board are Diane Griffin, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$49,630
IMPR.: \$105,320
TOTAL: \$154,950

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and part one-story dwelling of frame and brick construction with 2,456 square feet of living area. The dwelling was constructed in 1953 and remodeled in 1981. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 528 square foot garage. The property has a 6,251 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The appellant did not contest the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$154,950. The subject property has an improvement assessment of

\$105,320 or \$42.88 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparables for the Board's consideration. The Board finds the comparables have some similarity when compared to the subject. The appellant submitted one comparable that has a full finished basement and another that lacks central air conditioning. The board of review submitted a comparable that has a partial basement, which is 50% finished. Therefore, the Board finds the best evidence of assessment equity to be appellant's comparables #1 and #3, as well as the board of review's comparables #2 and #3. These comparables had improvement assessments ranging from \$72,840 to \$101,050 or from \$31.53 to \$43.82 per square foot of living area. The subject's improvement assessment of \$105,320 or \$42.88 per square foot of living area is slightly above the range of the best comparables in this record on a total improvement assessment basis and within the range on a per square foot basis. The Board finds the subject's slightly higher total improvement assessment is justified due to the subject's larger basement. The Board gave less weight to the parties' remaining comparables due to their superior basement finish or lack of central air conditioning when compared to the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
