

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Igor Khaykinq
DOCKET NO.: 15-05861.001-R-1
PARCEL NO.: 08-01-415-007

The parties of record before the Property Tax Appeal Board are Igor Khaykinq, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,230
IMPR.: \$42,720
TOTAL: \$45,950

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit of brick construction with 1,328 square feet of living area. The dwelling was constructed in 1996. Features of the home include central air conditioning and a fireplace. The property is located in Downers Grove, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sales sold from July 2012 to August 2014 for prices ranging from \$116,500 to \$140,000 or from \$87.72 to \$110.76 per square foot of living area. The appellant also indicated the subject was purchased in April 2012 for \$125,000. In addition, the appellant submitted a comparative market analysis which depicted four sales that sold from April 2012 to

October 2015 for prices ranging from \$80,000 to \$140,000 or from \$41.49 to \$110.76 per square foot of living area.¹

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,950. The subject's assessment reflects a market value of \$137,988 or \$103.91 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for DuPage County of 33.30% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from June 2013 to May 2015 for prices ranging from \$140,000 to \$151,200 or from \$109.94 to \$126.32 per square foot of living area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Three of the comparables in the market analysis were also utilized by the appellant. The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3, comparative market analysis sales #1, #4 and #5 and board of review comparable sales #1 and #2. Less weight was given the remaining comparable sales submitted by both parties, including the subject's sale in 2012, because the dates of sale were too remote in time for a January 1, 2015 valuation date. The most similar comparables sold for prices ranging from \$80,000 to \$140,000 or from \$41.49 to \$126.32 per square foot of living area, including land. The subject's assessment reflects a market value of \$137,988 or \$103.91 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

¹ The size for comparable #3 was not disclosed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
