

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sita Chatterjee
DOCKET NO.: 15-06091.001-R-1
PARCEL NO.: 07-33-305-015

The parties of record before the Property Tax Appeal Board are Sita Chatterjee, the appellant; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,240
IMPR.: \$129,400
TOTAL: \$161,640

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame construction with 3,738 square feet of living area. The dwelling was constructed in 1988. Features of the home include a partial unfinished basement, central air conditioning and a three-car garage. The property has a 13,020 square foot site and is located in Naperville, Naperville Township, DuPage County.

The appellant contends assessment inequity regarding the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables with varying degrees of similarity to the subject. The comparables had improvement assessments ranging from \$95,030 to \$108,880 or from \$26.60 to \$31.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,640. The subject property has an improvement assessment of

\$129,400 or \$34.62 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on six equity comparables with varying degrees of similarity to the subject. The comparables had improvement assessments ranging from \$126,790 to \$143,220 or from \$34.38 to \$37.32 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables and board of review comparables #4 and #6. The board of review's remaining comparables were given less weight based on their dissimilar finished basements when compared to the subject's unfinished basement. The most similar comparables had improvement assessments that ranged from \$26.60 to \$36.02 per square foot of living area. The subject's improvement assessment of \$34.62 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
