

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Monteverde
DOCKET NO.: 15-06121.001-R-1
PARCEL NO.: 06-35-102-010

The parties of record before the Property Tax Appeal Board are John Monteverde, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$209,460
IMPR.: \$251,490
TOTAL: \$460,950

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 6,264 square feet of living area. The dwelling was constructed in 1988. Features of the home include a full basement, central air conditioning, two fireplaces and a four-car garage with 1,275 square feet of building area. The subject has a 1,275 square foot finished basement under the garage which is a pool house with a 512 square foot in-ground pool. The property has a 50,481 square foot site and is located in Oak Brook, York Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood assigned by the township assessor as the subject property. The comparables were improved with two-story style brick dwellings that ranged in size from 6,590 to 7,080 square feet of living area. The dwellings were

constructed from 1981 to 1985. Features include an unfinished basement, central air conditioning, three fireplaces and a three-car garage ranging in size from 736 to 961 square feet of building area. The comparables had improvement assessments that ranged from \$216,000 to \$226,650 or from \$32.01 to \$33.42 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$205,062 or \$32.74 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$460,950. The subject property has an improvement assessment of \$251,490 or \$40.15 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on six equity comparables located in the same neighborhood assigned by the township assessor as the subject property. The comparables were improved with two-story style brick, masonry or stone dwellings that range in size from 5,961 to 6,448 square feet of living area. The dwellings were constructed from 1978 to 1988. Features include a basement with two comparables having a finished area, central air conditioning, one to five fireplaces and a three-car or four-car garage ranging in size from 867 to 1,119 square feet of building area. One comparable has a 1,674 square foot pool house with a 1,000 square foot in-ground pool. The comparables had improvement assessments that ranged from \$206,150 to \$249,150 or from \$31.97 to \$41.80 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board finds the comparables submitted by both parties are similar in location, dwelling size, age, style and features when compared to the subject property. These comparables had improvement assessments that ranged from \$206,150 to \$249,150 or from \$31.97 to \$41.80 per square foot of living area. The subject's improvement assessment of \$251,490 or \$40.15 per square foot of living area falls within the range established by the comparables in this record on a per square foot basis. The Board finds the subject property is at the upper end of the range which is justified based on the subject being superior in garage size and basement size which includes the pool house and in-ground pool. This is further supported by board of review comparable #3, the only other comparable with an in-ground pool. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
