

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Lymangood  
DOCKET NO.: 15-06127.001-R-1  
PARCEL NO.: 08-30-214-026

The parties of record before the Property Tax Appeal Board are Barbara Lymangood, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$87,250  
**IMPR.:** \$161,610  
**TOTAL:** \$248,860

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a part two-story and part one-story dwelling of frame and brick exterior construction with 4,073 square feet of living area. The dwelling was constructed in 1984. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 1,127 square foot garage. The property has a 16,057 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood code and from .07 to .17 of a mile from the subject property.<sup>1</sup> The comparables were improved with part two-story and part one-

story style frame dwellings that ranged in size from 3,621 to 4,053 square feet of living area. The dwellings were constructed in 1981 or 1984. Features include a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 579 to 880 square feet of building area. The comparables had improvement assessments that ranged from \$107,000 to \$116,250 or from \$28.68 to \$29.58 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$119,216 or \$29.27 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$248,860. The subject property has an improvement assessment of \$161,610 or \$39.68 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in the same neighborhood code and from .06 to .09 of a mile from the subject property. The comparables were improved with part two-story and part one-story style frame dwellings that range in size from 3,686 to 3,905 square feet of living area. The dwellings were constructed from 1983 to 1985. Features include a basement with finished area, central air conditioning, two or three fireplaces and a garage ranging in size from 653 to 816 square feet of building area. The comparables had improvement assessments that ranged from \$152,560 to \$155,910 or from \$39.07 to \$42.30 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #1 and #3 along with the board of review's comparable #3 due to their smaller dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the remaining comparables. These comparables were most similar to the subject in location, design, dwelling size, age and features. These comparables had improvement assessments that ranged from \$116,250 to \$155,700 or from \$28.68 to \$40.17 per square foot of living area. The subject's improvement assessment of \$161,610 or \$39.68 per square foot of living area falls within the range established by the best comparables in this record on a per square foot basis. After considering adjustments to the comparables for any differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
