

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Baber Kahn  
DOCKET NO.: 15-06142.001-R-1  
PARCEL NO.: 06-27-308-003

The parties of record before the Property Tax Appeal Board are Baber Kahn, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$78,010  
**IMPR.:** \$461,970  
**TOTAL:** \$539,980

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick, masonry or stone exterior construction with 6,129 square feet of living area. The dwelling was constructed in 2008. Features of the home include a basement with finished area, central air conditioning, four fireplaces and a four-car garage with 1,093 square feet of building area. The subject property has an elevator. The property has a 22,000 square foot site and is located in Oak Brook, York Township, DuPage County.

The appellant contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on three equity comparables located in the same neighborhood code assigned by the township assessor as the subject property. The comparables were improved with two-story style brick or frame and brick dwellings that ranged in size from 5,099 to 7,088 square feet of living area. The

dwellings were constructed in 2002 and 2005. Each comparable has a basement with finished area, central air conditioning, one or three fireplaces and a garage ranging in size from 839 to 1,248 square feet of building area.<sup>1</sup> The comparables had improvement assessments that ranged from \$360,550 to \$420,900 or from \$59.38 to \$72.11 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$413,094 or \$67.40 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$539,980. The subject property has an improvement assessment of \$461,970 or \$75.37 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in the same neighborhood code assigned by the township assessor as the subject property. The comparables were improved with two-story style brick, masonry or stone dwellings that range in size from 5,828 to 6,702 square feet of living area. The dwellings were constructed from 2006 to 2008. Each comparable has a basement with finished area, central air conditioning, four fireplaces and a garage ranging in size from 986 to 1,246 square feet of building area. The comparables had improvement assessments that ranged from \$498,870 to \$578,250 or from \$74.59 to \$90.96 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 based on their larger dwelling size, smaller dwelling size and slightly older age when compared to the subject property.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 along with the board of review comparables. These comparables were most similar to the subject in location, design, dwelling size, age and features. These comparables had improvement assessments that ranged from \$403,950 to \$578,250 or from \$72.11 to \$90.96 per square foot of living area. The subject's improvement assessment of \$461,970 or \$75.37 per square foot of living area falls within the range established by the comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

<sup>1</sup> The appellant's grid analysis was void of some pertinent descriptive data, which was provided by the board of review.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
