

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Kim
DOCKET NO.: 15-06572.001-R-1
PARCEL NO.: 05-11-121-010

The parties of record before the Property Tax Appeal Board are Susan Kim, the appellant, by attorney Margaret E. Graham of McCracken, Walsh & de LaVan, in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 28,050
IMPR.: \$223,510
TOTAL: \$251,560

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction that has 3,706 square feet of living area. The dwelling was built in 2006. Features include a partial finished basement, central air conditioning, a fireplace and a 483 square foot garage. The subject property is located in Milton Township, DuPage County, Illinois.

The appellant contends assessment inequity as the basis of the appeal. In support of the inequity claim, the appellant submitted a grid analysis of three assessment comparables located within the same neighborhood code as the subject. The comparables are comprised of two-story dwellings of frame construction that were built from 1919 to 2007. One comparable has a partial finished basement and two comparables have unfinished basements. Other features include central air conditioning, one or two fireplaces and garages that contain from 418 to 550 square feet of building area. The dwellings range in size from 2,112 to 3,779 square feet of living area. The

comparables have improvement assessments ranging from \$144,990 to \$241,960 or from \$52.50 to \$57.02 per square foot of living area. Appellant's counsel calculated the comparables have an average improvement assessment of \$55.35 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$205,127 or \$55.35 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$251,560. The subject property has an improvement assessment of \$223,510 or \$60.31 per square foot of living area. In support of the subject's assessment, the board of review submitted a grid analysis of the assessment comparables submitted by the appellant and six additional assessment comparables. The evidence was prepared by the Milton Township Assessor. The six additional comparables are located in the same neighborhood code as the subject. The comparables consist of two-story dwellings of frame construction that were built from 2002 to 2010. The comparables have partial finished basements, central air conditioning, one or two fireplaces and garages that range in size from 462 to 640 square feet of building area. The dwellings range in size from 3,530 to 3,810 square feet of living area. The comparables have improvement assessments ranging from \$243,390 to \$261,290 or from \$68.03 to \$69.96 per square foot of living area.

The board of review argued comparables #1 and #2 submitted by the appellant are older in age and comparable #3 has an unfinished basement when compared to the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer argued assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof.

The record contains nine assessment comparables for the Board's consideration. The Board gave less weight to the comparables submitted by the appellant. Comparables #1 and #2 are older in age and smaller in dwelling size when compared to the subject. Comparable #3 has an unfinished basement, inferior when compared to the subject. The Board finds the comparables submitted by the board of review are more similar when compared to the subject in location, design, age, dwelling size and features. They have improvement assessments ranging from \$243,390 to \$261,290 or from \$68.03 to \$69.96 per square foot of living area. The subject property has an improvement assessment of \$223,510 or \$60.31 per square foot of living area, which falls below the range established by the most similar assessment comparables contained in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Therefore, no reduction in the subject's improvement assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
