

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Sieron
DOCKET NO.: 15-06657.001-R-1
PARCEL NO.: 2-64-0340-160

The parties of record before the Property Tax Appeal Board are Scott Sieron, the appellant; and the Perry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Perry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,077
IMPR.: \$6,256
TOTAL: \$8,333

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Perry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame construction that has 1,510 square feet of living area. The dwelling was constructed in 1968. The dwelling features a concrete slab foundation, central air conditioning and an attached two-car garage. The subject has a 12,000-square foot site. The subject property is located in Cutler Township, Perry County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information pertaining to the sale of the subject property. The evidence shows subject property sold for \$24,900 in February 2016. The appellant completed Section IV of the residential appeal petition disclosing the parties to the transaction were not family or related corporations and the property was advertised for sale market for three months. The appellant submitted a copy of the agreement for deed and photographs showing the subject dwelling was in a state of disrepair.

The appellant also submitted the final decision issued by the board of review disclosing the subject's final assessment of \$17,333. The subject's assessment reflects an estimated market value of \$52,082 when applying Perry County's 2015 three-year average median level of assessment of 33.28%. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation as a basis of the appeal. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof.

The Board finds the only evidence of market value contained in this record is the subject's sale price of \$24,900 in February 2016. The Board finds the subject's sale meets the fundamental elements of an arm's-length transaction. There is no evidence suggesting the buyer and seller were related and the subject property was exposed to the open market. The Board finds there is no direct evidence the parties were under duress or compelled to buy or sell. The Illinois Supreme Court has defined fair cash value as what the property would bring at a voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is ready, willing and able to buy but not forced to do so. Springfield Marine Bank v. Property Tax Appeal Board, 44 Ill.2d. 428, (1970). A contemporaneous sale of two parties dealing at arm's-length is not only relevant to the question of fair cash value but is practically conclusive on the issue of whether an assessment is reflective of market value. Korzen v. Belt Railway Co. of Chicago, 37 Ill.2d 158 (1967). The subject's assessment reflects an estimated market value of \$52,082, which is greater than its sale price of \$24,900.

The board of review did not submit any evidence in support of its assessment of the subject property or refute the evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). As a result, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Based on this analysis, the Board finds the appellant has demonstrated the subject property was overvalued by a preponderance of the evidence and a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
