

# FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Harrison Conley DOCKET NO.: 15-06807.001-R-1

PARCEL NO.: 21-14-12-310-034-0000

The parties of record before the Property Tax Appeal Board are Harrison Conley, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds <u>A Reduction</u> in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,404 **IMPR.:** \$2,864 **TOTAL:** \$4,268

Subject only to the State multiplier as applicable.

## **Statement of Jurisdiction**

The appellant timely filed the appeal from a 2014 Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

## **Findings of Fact**

The subject property consists of a two-story townhouse of frame construction on a slab foundation. The dwelling was constructed in 1970 and contains 920 square feet of living area. The dwelling features a 280 square foot garage. The subject is situated on a 724 square foot site in University Park, Monee Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable properties located within .55 of a mile from the subject. They are described as two-story townhomes built in 1970 or 1974 ranging in size from 888 to 1,148 square feet of living area. Eight comparables feature central air conditioning and five have garages. No information was provided on exterior construction or site sizes. The comparables sold from April 2014 to December 2015 for prices ranging from \$9,000 to \$16,001 or from \$8.43 to \$16.78 per square foot of living area including land.

Based on this evidence, the appellant requested the total assessment be reduced to \$3,940 or a market value of approximately \$11,821 or \$12.85 per square foot of living area including land at the statutory level of assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,977. The subject's assessment reflects a market value of \$45,044 or \$48.96 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Will County of 33.25% as determined by the Illinois Department of Revenue.

With respect to the appellant's evidence, the township assessor noted the appellant did not file an appeal to Will County and rather filed an appeal directly to the Property Tax Appeal Board. The assessor disclosed that two of the appellant's comparables were Special Warranty Deed, and/or bank REO, buyer/seller is financial institution or government agency.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. They are described as two-story frame or frame and masonry townhouses containing either 1,148 or 1,625 square feet of living area. The comparables are 19 or 43 years old and feature central air conditioning and garages. Two are on slab foundations, two have unfinished basements and two have fireplaces. The sites range in size from 618 to 41,616 square feet of land area. Two comparables are in the same neighborhood as the subject. The comparables sold from February 2015 to June 2017 for prices ranging from \$31,000 to \$102,000 or from \$27.00 to \$62.77 per square foot of living area including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellant cites differences between the subject and the board of review comparables regarding sale dates, locations, dwelling ages, sizes and/or features.

## **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board gave less weight to the board of review comparables based on larger dwelling sizes, basements versus slab foundations and/or sales not proximate in time to the subject's assessment date of January 1, 2015. The Board also gave less weight to appellant's comparables #3, #5, #6, and #7 based on lack of a garage. The Board finds the best evidence of market value to be the appellant's comparables #1, #2, #4, #8 and #9. Despite the lack of information regarding site sizes, the appellant's comparables were similar to the subject in location, age, style, dwelling size and features. These comparables sold from April 2014 to December 2015 for prices ranging from \$9,200 to \$16,001 or from \$8.43 to \$13.94 per square foot of living area including land. The subject's assessment reflects a market value of \$45,044 or \$48.96 per square foot of living

area, including land, which is greater than the most similar comparables in the record. Based on this evidence the Board finds a reduction in the subject's assessment based on overvaluation is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
