

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eugene Carter Gerretse
DOCKET NO.: 15-06820.001-R-1
PARCEL NO.: 19-09-07-303-046-1003

The parties of record before the Property Tax Appeal Board are Eugene Carter Gerretse, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$497
IMPR.: \$15,631
TOTAL: \$16,128

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a 2014 Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit with 832 square feet of living area. The dwelling was built in 1980 and features a fireplace. The subject is located in Mokena, Frankfort Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable properties located within .06 of a mile from the subject. They are described as condominium units built between 1971 and 1980. They range in size from 922 to 1,048 square feet of living area and each has a fireplace. Two feature central air conditioning. No information was provided on style, exterior construction or the comparables' site sizes. The comparables sold from September 2014 to December 2015 for prices ranging from \$45,000 to \$59,000 or from \$45.64 to \$58.16 per square foot of living area including land.

Based on this evidence, the appellant requested the total assessment be reduced to \$15,612 or a market value of approximately \$46,841 or \$56.30 per square foot of living area including land at the statutory level of assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,884. The subject's assessment reflects a market value of \$68,824 or \$82.72 per square foot of living area, land included, when using the 2015 three-year average median level of assessment for Will County of 33.25% as determined by the Illinois Department of Revenue.

The board of review did not submit any comparable sales but instead submitted an offer to stipulate to a total assessment of \$19,666.

In rebuttal, counsel for the appellant rejected the stipulation and stated the board of review did not submit any evidence to dispute the appellant's request for a reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the board of review submitted no sales comparables to support the assessment, only an offer to stipulate to an assessed value of \$19,666 which was rejected by the appellant. The Board gave less weight to appellant's comparable #3 based on its larger dwelling size as compared to the subject. The Board finds the best evidence of market value to be appellant's comparables #1 and #2. Despite the lack of information regarding site sizes, styles and exterior construction, the appellant's comparables were similar to the subject in location, age, dwelling size and features. These comparables sold in May and December 2015 for \$53,620 and \$45,000 or for \$58.16 and \$45.64 per square foot of living area including land, respectively. The subject's assessment reflects a market value of \$68,824 or \$82.72 per square foot of living area, including land, which is greater than the most similar comparables in the record. Based on this evidence the Board finds a reduction in the subject's assessment based on overvaluation is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
