

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christopher Enger
DOCKET NO.: 15-20035.001-R-1 through 15-20035.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Christopher Enger, the appellant, by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
15-20035.001-R-1	15-35-203-006-0000	10,383	63,122	\$73,505
15-20035.002-R-1	15-35-203-007-0000	3,045	8,607	\$11,652

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 4,233 square feet of living area. The dwelling is 67 years old. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The subject property has two separate land parcels that total 17,905 square feet of land area and is located in Riverside, Riverside Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity as the basis of the appeal. The appellant did not contest the subject's land assessment. In support of this argument the appellant submitted information on five equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,157. The subject property has a total improvement assessment of \$71,729 or \$16.95 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight suggested comparables for the Board's consideration. The Board finds all of the comparables submitted are significantly older than the subject, however, the Board finds the best evidence of assessment equity to be appellant's comparables #1, #3 and #4, as well as the board of review comparables #3 and #4. These comparables were somewhat similar to the subject in location, size and features. These comparables had improvement assessments that ranged from \$11.81 to \$16.71 per square foot of living area. The subject's improvement assessment of \$16.95 per square foot of living area falls slightly above the range established by the best comparables in this record and appears justified given the subject's significantly younger age. The Board gave less weight to the parties' remaining comparables due to their smaller size, lack of central air conditioning and/or lack of a garage. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
