

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Central Ashland, LLC
DOCKET NO.: 15-20670.001-R-1
PARCEL NO.: 15-12-116-022-0000

The parties of record before the Property Tax Appeal Board are Central Ashland, LLC, the appellant(s), by attorney Chris D. Sarris, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,443
IMPR.: \$ 8,557
TOTAL: \$35,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one story mixed-use building of masonry construction. It contains 4,875 total square feet of living area. The property was built in 1954 and has a lot size of 8,462 square feet. The property is located in River Forest Township, Cook County and is a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. These sales occurred from February 6, 2012 to July 19, 2013 and sold for prices ranging from \$30.00 to \$66.25 per square foot of living area. In further support of this argument the appellant submitted evidence disclosing the subject property was purchased on May 1, 2013 for a price of \$350,000, or \$71.79 per square foot of living area. The appellant completed Section IV – Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property had been advertised on the

Multiple Listing Service and it had been on the market for approximately one year. In further support of the transaction the appellant submitted a copy of the Real Property Transfer Tax Declaration and evidence of the deed. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$25,231.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,500. The subject's assessment reflects a market value of \$475,000 or \$97.43 per square foot of building area, including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment the board of review submitted three equity comparables with sale data for each comparable, including the subject's 2013 sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property on May 1, 2013 for a price of \$350,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$350,000 as of January 1, 2015. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
