

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Melanie Anderson
DOCKET NO.: 15-20829.001-R-1
PARCEL NO.: 11-19-326-018-0000

The parties of record before the Property Tax Appeal Board are Melanie Anderson, the appellant(s), by attorney Nancy Pina, of the Law Office of Nancy Pina in Broadview; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,253
IMPR.: \$28,011
TOTAL: \$33,264

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 106 year-old, two-story dwelling of frame construction containing 1,760 square feet of living area. The property has a 5,003 square foot site in Evanston Township, Cook County. The evidence did not disclose whether the subject was owner-occupied in the lien year. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested comparable sales and adjustment information disclosed in a grid entitled, "Property Equalization Values."

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,264. The subject's assessment reflects a market value of

\$332,640, or \$189.00 per square foot of living area including land, when applying the level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables.

At hearing, the board of review objected to the appellant's "Property Equalization Values" grid as inadmissible hearsay evidence without the person who prepared that grid present at hearing and subject to cross-examination under oath. The Board sustained the objection but held that it may consider the appellant's raw, unadjusted sale data. The appellant reiterated the argument that appellant's sale comparables were the best evidence of the subject's market value.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to establish the admissibility of and to lay a foundation for the adjustments in the equalization values grid. Therefore, the Board gives them no weight. However, the Board may consider the raw, unadjusted sale data.

The Board finds the best evidence of market value to be the appellant's comparable sale(s) #1, and the board of review comparable sale(s) #2 and #4. These comparables sold for prices ranging from \$127.41 to \$208.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$189.00 per square foot of living area including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
