

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Melanie Anderson  
DOCKET NO.: 15-20832.001-R-1  
PARCEL NO.: 10-24-209-004-0000

The parties of record before the Property Tax Appeal Board are Melanie Anderson, the appellant(s), by attorney Nancy Pina, of the Law Office of Nancy Pina in Broadview; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,437  
**IMPR.:** \$21,607  
**TOTAL:** \$26,044

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 100 year-old, one and one-half-story dwelling of stucco construction containing 2,016 square feet of living area. The property has a 5,379 square foot site located in Evanston Township, Cook County. The record does not disclose whether the subject was owner-occupied in the lien year. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement disclosing the subject property was purchased on December 28, 2012 for \$145,000 from V & T Investment Corporation (hereinafter, "V&T"), and a Multiple Listing Service listing information sheet. The subject's sale price reflects a market value of \$71.92 per square foot of living area including land. The appellant included information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not sold as a transfer

between related parties, and was advertised and sold through a realtor. The appellant also submitted information on four suggested comparable sales and adjustment information disclosed in a grid entitled, "Property Equalization Values." Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when using the 2015 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,044. The subject's assessment reflects a market value of \$260,440, or \$129.19 per square foot of living area, when using the 2015 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales.

At hearing, the board of review objected to the appellant's "Property Equalization Values" grid as inadmissible hearsay evidence without the person who prepared that grid present at hearing and subject to cross-examination under oath. The Board sustained the objection but held that it may consider the appellant's raw, unadjusted sale data. The appellant reiterated the argument that appellant's sale comparables were the best evidence of the subject's market value. The board of review offered into evidence a copy of a deed trail from the Cook County Recorder of Deeds website. The Board entered it into evidence without objection from the appellant as BOR Exhibit #1. It disclosed: 1) a *lis pendens* and Notice of Foreclosure; 2) a Judicial Sales Deed from Intercounty Judicial Sales Corporation to V & T; and 3) a Warranty Deed from the V & T to the appellant. The board of review argued that the evidence discloses the subject's sale was compulsory.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in December 28, 2012 for \$145,000 is a "compulsory sale." A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board regarding compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider compulsory sales of comparable properties submitted by the parties to revise and/or correct the subject's assessment. The Board may consider market value evidence, such as sales of comparable properties submitted by the parties, to determine whether the subject was sold at fair cash value. 86 Ill.Admin.Code §1910.65(c)(4); *See Calumet Transfer LLC v. Illinois Property Tax Appeal Board*, 401 Ill.App.3d 652 (1<sup>st</sup> Dist. 2010).

The Board finds the appellant failed to establish the admissibility of and to lay a foundation for the adjustments in the equalization values grid. Therefore, the Board gives them no weight. However, the Board may consider the raw, unadjusted sale data.

The Board finds the best evidence of market value to be the appellant's comparable sale(s) #1, and the board of review comparable sale(s) #1, #2 and #4. These comparables sold for prices ranging from \$81.85 to \$247.40 per square foot of living area, including land. The subject's assessment reflects a market value of \$129.19 per square foot of living area including land, which is within the range established by the best comparable sales in this record. The subject was sold for \$71.92 per square foot of living area, which is below the range of the best comparable sales in the record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
