

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Roberto Rodriguez
DOCKET NO.: 15-20891.001-R-1
PARCEL NO.: 16-19-415-013-0000

The parties of record before the Property Tax Appeal Board are Roberto Rodriguez, the appellant, by attorney Alexia Katsaros, of Katsaros & Steffey, P.C. in Western Springs; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds <u>A Reduction</u> in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,568 **IMPR.:** \$ 6,932 **TOTAL:** \$10,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 89-year-old, two-story residential building of masonry construction with 2,888 square feet of building area. Features of the home include a full basement and a two-car garage. The property has a 3,660 square foot site and is located in Berwyn Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 22, 2013 for a price of \$105,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the purchase price.

Docket No: 15-20891.001-R-1

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,864. The subject's assessment reflects a market value of \$178,640 when using the 2015 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested comparable sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August, 2013 for a price of \$105,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$105,000 as of January 1, 2015. Since market value has been determined the 2015 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code \$1910.50(c)(2).
