

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Klima  
DOCKET NO.: 15-21414.001-R-1  
PARCEL NO.: 16-18-411-056-0000

The parties of record before the Property Tax Appeal Board are Michael Klima, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 5,040  
**IMPR.:** \$27,587  
**TOTAL:** \$32,627

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a one-story, frame dwelling that is 101 years old. The property has a 6,300 square foot site, and is located in Oak Park Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables.

The appellant also contends that the subject contains 1,889 square feet of living area, while the board of review lists the subject as containing 2,223 square feet of living area. In support, the appellant provided photographs of the attic, an affidavit signed by the taxpayer, and a partial undated and unsigned survey.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$32,627. The subject property has an improvement assessment of \$27,587. In support of its contention of the correct assessment, the board of review submitted information on eight equity comparables.

In written rebuttal, the appellant's attorney distinguished the board of review's comparables from the subject property.

At hearing, the appellant's attorney submitted a residential building record (Appellant's Hearing Exhibit 1) from the Cook County Assessor's office indicating the building square footage had been revised to reflect 1,673 square feet of living area as the result of a 2017 field check inspection.

### **Conclusion of Law**

Initially, the Board finds the subject property contains 1,673 square feet of living area as established by the Assessor's field check. Accordingly, the subject's improvement assessment per square foot is \$16.49.

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's equity comparables #1 through #4, as well as comparables #1 through #4 submitted by the board of review, as they are most similar to the subject in size, design, location, and amenities. These comparables had improvement assessments that ranged from \$11.19 to \$18.06 per square foot of living area. The subject's improvement assessment of \$16.49 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
