

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Salim Ani
DOCKET NO.: 15-21465.001-R-1
PARCEL NO.: 05-27-319-016-0000

The parties of record before the Property Tax Appeal Board are Salim Ani, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,250
IMPR.: \$16,750
TOTAL: \$25,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction containing 1,614 square feet of living area. The dwelling is 120 years old. The property has a 5,000 square foot site and is located in New Trier Township, Cook County. The property is a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$250,000 as of August 24, 2012. The appellant's attorney also submitted a copy of PTAB's 2014 decision on the subject and asked the Board to take this previous decision into consideration.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,758. The subject's assessment reflects a market value of \$437,580 or \$271.11 per square foot of living area, including land, when applying the level of

assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance. The board of review also submitted a brief outlining the argument that no rollover is due to the subject. In support of argument, the board of also submitted the subject's property record card and an exemption history printout from the Cook County Assessor's office showing that no homeowner's exemption was applied to the subject from 2011 to 2015.

In support of its contention of the correct assessment the board of review submitted four sales comparables.

At hearing, the appellant's attorney appeared with the appraiser, Susan Mustari. She testified with the specifics of the appraisal. The board of review's representative asked the appraiser several questions regarding all of the sale comparables in the record.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

As to the rollover argument,

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2014 assessment. The record further indicates that the subject property is not an owner occupied dwelling. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted to reflect the Board's prior year's decision.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$250,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
