

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debrass Living Trust
DOCKET NO.: 15-22011.001-R-1
PARCEL NO.: 14-19-317-020-0000

The parties of record before the Property Tax Appeal Board are Debrass Living Trust, the appellant, by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,390
IMPR.: \$83,610
TOTAL: \$105,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of masonry construction with 2,671 square feet of living area. The dwelling is 117 years old. Features of the home include a full finished basement, central air conditioning and a two-car garage. The property has a 4,650-square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends improvement assessment inequity as the basis of the appeal.¹ In support of this argument the appellant submitted information on five equity comparables that were

¹ The appellant's appeal included limited information regarding the subject's 2013 sale, however, the appellant's attorney failed to indicate the appeal was based in part on a recent sale and did not fully complete Section IV as required by the Property Tax Appeal Board. Section 16-180 of the Property Tax Code states in pertinent part: *Each appeal shall be limited to the grounds listed in the petition.* (35 ILCS 200/16-180)

located within the same neighborhood code as the subject property. The comparables had varying degrees of similarity to the subject. The comparables had improvement assessments ranging from \$72,277 to \$79,308 or from \$27.52 to \$29.66 per square foot of living area.²

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,000. The subject property has an improvement assessment of \$83,610 or \$31.30 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparable properties that were located within the same neighborhood code as the subject property. The comparables had varying degrees of similarity to the subject. The comparables had improvement assessments ranging from \$64,395 to \$100,870 or from \$26.50 to \$35.00 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3, #4 and #5, as well as the board of review's comparables 1, #2 and #4. These comparables were most similar to the subject in location, style, size, age and features. These comparables had improvement assessments that ranged from \$64,395 to \$100,870 or from \$26.50 to \$35.00 per square foot of living area. The subject's improvement assessment of \$83,610 or \$31.30 per square foot of living area falls within the range established by the best comparables in this record. The Board gave less weight to the parties' remaining comparables due to their lack of a basement foundation or lack of finished basement area, unlike the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

² The appellant's assessment grid erroneously listed the subject's assessment as reflected prior to the reduction granted by the board of review.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
