

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine J. Patton  
DOCKET NO.: 15-22369.001-R-1  
PARCEL NO.: 28-10-300-093-1063

The parties of record before the Property Tax Appeal Board are Christine J. Patton, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 335  
**IMPR.:** \$2,843  
**TOTAL:** \$3,178

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a single condominium unit with a 0.6028% interest in the common elements. It is located in a 144-unit building that is 37 years old. The property has a 202,660 square foot site and is located in Bremen Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted sale information on 21 sale comparables. These comparables sold between February 2012 and April 2015 for sale prices ranging from \$10,000 to \$61,800. The appellant failed to provide either the square footage of unit area or the percentage of ownership in the common elements for the sale comparables. Additionally, the appellant failed to provide any brief citing any applicable statute or case law.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$3,178. The subject's assessment reflects a market value of \$31,780 when applying the 2015 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three sale comparables that reflected sale data. These comparables sold between February 2012 and June 2013 for sale prices ranging from \$23,000 to \$50,000. Based on the analysis provided, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the board of review's comparables. All of these units are located in the same association as the subject property and the board of review provided the percentage of ownership in the common elements for all of these units. Additionally, all of these sales occurred at a time proximate to the January 1, 2015 valuation date and are reflective of the subject's market value at that time. When comparing the sale prices and percentage of ownership in the common elements of the comparables to the subject property, the Board finds that the subject property's current market value of \$31,780 falls below the market value indicated by the best comparables contained in the record. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
