

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Grahn  
DOCKET NO.: 15-22410.001-R-1  
PARCEL NO.: 14-29-210-005-0000

The parties of record before the Property Tax Appeal Board are Peter Grahn, the appellant(s), by attorney Spiro Zarkos, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 18,600  
**IMPR.:** \$ 94,234  
**TOTAL:** \$112,834

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2015 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two improvements on one parcel of land with a lot size of 3,100 square feet. Improvement #1 is a three-story, class 2-11 multi-family dwelling of masonry construction with 4,703 square feet of building area. The building is 129 years old. Improvement #2 is a two-story, frame dwelling with 1,963 square feet of living area. It is 117 years old. The property is located in Lakeview Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables for the subject property's Improvement #1. The appellant failed to submit any equity comparables for the subject's Improvement #2.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$112,834 was disclosed. The improvement assessment for Improvement #1 was \$69,686, or \$14.82 per square foot. In support of the subject's assessment for Improvement #1, the board of review submitted descriptive and assessment information four properties suggested as comparable to the subject.

The improvement assessment for Improvement #2 was \$24,548, or \$12.51 per square foot. In support of the subject's assessment for Improvement #2, the board of review submitted descriptive and assessment information four properties suggested as comparable to the subject, one of which reflected sale data.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the appellant's comparables #1, #2 and #4, as well as the board of review's comparables #1 and #2. These comparables had improvement assessments that ranged from \$9.85 to \$17.82 per square foot of living area. The subject's improvement assessment for Improvement #1 of \$14.82 per square foot of living area falls within the range established by the best comparables in this record.

The Board finds the best evidence of assessment equity for Improvement #2 to be the board of review's comparables #2, #3 and #4. These comparables had improvement assessments that ranged from \$14.78 to \$16.40 per square foot of living area. The subject's improvement assessment for Improvement #2 of \$12.51 per square foot of living area falls below the range established by the best comparables in this record.

Based on the evidence contained in this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvements were inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
